## PROJECTS

---

### **A study on customer satisfaction towards Reliance Smart point with special reference to Gobichettipalayam town •**

03/2024 - 03/2024

In this team project, I contributed by collecting the introduction section, conducting a pilot survey, and performing data analysis. I prepared tabulation charts and interpreted data using SPSS software. This experience deepened my understanding of Reliance Smart Point, the organized retail sector in India, and its impact on the GDP and global market dynamics.
